- Maintain and communicate expectations for all students to learn at high levels
- Establish a program that gives the individualized attention that varied learning styles demand, and that includes every student in the process of developing an individualized learning plan
- Involve the students' families and the resources of the entire community in the education process

When is the Handbook In Force?

This Parent and Student Handbook states guidelines for student rights and responsibilities. It does not create any contractual rights, and the school district has the discretion to modify the provisions of this handbook at any time.

The provisions of the Parent and Student Handbook are in force:

- During regular school hours and/or on school property
- During transportation of students
- At times and places where appropriate school administrators and staff have jurisdiction including but not limited to, school-sponsored events, field trips, athletic functions and other school-related activities
- On the way to or from school or a school-related event

Additional sanctions may apply above and beyond the minimum mandatory consequences of this policy for violations which occur when this handbook is in force (i.e.; on school property, during school time, or at school events).

The principal, any school official or designated chaperone is authorized to take administrative action when a student's misconduct away from school during a school activity may have a detrimental effect on the other students, staff or on the orderly educational process.

The Director, Principal, and Deans have the responsibility to take discretionary action any time the educational process is threatened with disruption. Nothing in the following is intended to prevent a staff member, teacher, principal or other administrator from using his/her best judgement with respect to a particular situation.

How to Enroll at RFK

RFK is open to students from anywhere in the state of NM in grades 6-8. The school will advertise an open enrollment period within the school community so that all interested students may have an equal opportunity to apply for admission; and it will include a deadline for accepting applications. All applications will be randomly drawn through a fair and impartial lottery system, if more applications have been submitted than the school can accommodate.

Lottery System

All students interested in enrolling in the school are given a number. Numbers are drawn until all student seats in the school have been filled. The remaining numbers are drawn to place the rest of the students onto a waiting list. As openings occur, students are enrolled in order of their placement on the waiting list. Students remain on the waiting list until they are enrolled, and new students can be added to the end of the waiting list.

Call our main office number (505)243-1118 and ask for an application to be mailed to you, or visit us online at RFKCharterSchool.com. You may also come by our office at 1021 Isleta SW or 4300 Blake SW between 8am and 2:30 pm to pick up an application.

If the school is currently full, you will be notified about the next lottery date and contacted by phone if your name is drawn.

RFK Middle School General Information

Attendance: The staff and administration believe that attendance is a cooperative effort between the parent and the school. When the student is absent for any reason, we ask the parent/guardian to contact the RFK Middle School Office as soon as possible at 505-253-0400 or 505-243-1118. If someone other than the parent/guardian is picking up the student, he/she must be on the list of authorized persons or emergency contacts for the student.

Students arriving late to school must sign in when they arrive at school and will receive a pass to class. Students will not be admitted to class without a pass and may be considered absent.

Classroom Regulations: Students will follow the rules of the individual teacher as well as all school policies. Inappropriate behavior includes any action that would disrupt the educational process. If a student does not follow the rules after repeated warnings and parent contact, the student may be referred to the administration. During a “crisis” situation, a student will be removed from class, parent may be notified of their student’s inappropriate behavior.

Closed Campus: Students are not permitted to leave campus during the school day. Once on campus, students must remain on campus.

RFK Code of Conduct/Discipline Policy

The expectation at RFK is that students uphold the values of respect and responsibility in their everyday interactions. We encourage students to embrace our mission of caring about and belonging to a safe school community.

Education is a right guaranteed to the student, but not an absolute right. The School is a community, and the rules and regulations of a school are the laws of that community. The right to a public education may be denied, temporarily or permanently, in response to behaviors which: threaten the safety and security of the school population; are illegal; disrupt the educational process; or have the potential to disrupt the educational process.

A student's right to an education may not be denied without due process. Separately, special education students must have an alternative program provided during any long-term suspension or expulsion.

Not with standing a school's right to deny a student the right to an education under these circumstances, it is the intent of the RFK Governance Council that every reasonable effort be made in favor of the student's education in disciplinary actions and as such RFK has defined an array of responses to address behaviors that are not appropriate or are prohibited. These are outlined in Part B Responses.

Both the immediate consequences of gang activity and the secondary effects are disruptive and obstructive to the process of education and school activities. Gangs and gang activities are prohibited at RFK and all school functions.

As a first step, the RFK Director / Dean of Students authorizes actions which are preventive in nature which will be interpreted as proactive steps to discourage the formation of gangs and involvement of students in gang activities. An integral part of these steps is the education of all staff regarding “gang” issues. All such graffiti on school property shall be removed or covered within 24 hours of its first appearance or as soon thereafter as possible, unless additional time is needed to obtain replacements for damaged items.

3. School employees are strongly encouraged to work closely with local law enforcement officials in controlling gang-related activities.
4. The school will report instances on gang-related criminal acts or acts of serious disruption to local law enforcement authorities for further action.

C. Violation of guidelines

Students who violate these guidelines shall be subject to the full range of school disciplinary measures, in addition to applicable criminal and civil penalties.

Special Education Services

The mission of RFK is to work with students and families to identify the strengths, needs and issues impacting student success. Graduation from High School or transition into an alternative graduation or career path will be our primary measure of success. RFK will provide flexible and personalized programs for anyone seeking a high school diploma.

Individual needs of students who have been receiving special education services will be addressed through their Individual Education Program. Our dedication to best practices will be demonstrated through an **inclusive model** of education, providing progressive techniques for instruction, curriculum and meeting individual needs of students.

When a student who is eligible for special education services is placed in a regular education classroom, he or she is expected to achieve at the level commensurate with her or his ability and IEP with the assistance of appropriate special education and related services.

Special Education Discipline Procedures

The IEP team must consider, when appropriate, strategies- including positive behavioral interventions, strategies, and supports to address behavioral concerns through the IEP process (614(d)(3)(B)(i).

In response to disciplinary actions by school personnel, the IEP team must, within 10 days, meet to formulate a functional behavioral assessment plan to collect data for developing a behavior intervention plan, or if a behavioral intervention plan already exists, the team must review and revise it (as necessary), to ensure that it addresses the behavior upon which disciplinary action is predicated (615)(c)(3)(D)(vi).

Student Dress Code

Because RFK values respect, safety, health and the educational process, the following are our guidelines for dress and appearance:

1. Head gear or Clothing/jewelry that promotes gang affiliation, alcohol, drugs and/or tobacco is not acceptable.
2. Clothing/jewelry that disrespects a person or persons for any reason is not acceptable.
3. Clothing should be comfortable and appropriate for the school or work activity.
4. Basically, anything that distracts from the learning process and/or offends another person is not acceptable.

***Appropriate is defined as:**

- Clean
- Modest
- “Outerwear” covers “underwear” so it cannot be seen
- Safe for the school activity

The Dress Code is a set of guidelines for teaching young people what is appropriate and acceptable appearance. If a student wears something that requires this guidance, a teacher or staff member will discreetly inform the student, give the student a shirt to wear or ask the student to wear a jacket. The student may also call someone to bring appropriate clothing. Repeated offenses may result in suspension from school.

Smoking Policy

RFK has a **NO SMOKING POLICY** and will not tolerate smoking on campus or at RFK activities outside of normal school hours.

Tobacco Free Schools (Smoking)

According to New Mexico Administrative Code, 6.12.4.8 Tobacco use is prohibited by students, school staff, parents, and school visitors in school buildings, on school property. It is the responsibility of each school to implement and communicate this policy to students, school staff, parents, school visitors and the community and also the school's responsibility to develop provisions for enforcement of this policy.

The Robert F Kennedy Charter high school is dedicated to establishing and maintaining a safe, comfortable and productive educational and work environment for its students and staff. In view of the serious health risks associated with tobacco, the addictive substance of nicotine, and tobacco smoke for both smokers and non-smokers, the following health policy is adopted.

Smoking or the use of tobacco products; E-Cigarettes or any nicotine products will not be permitted on school property at anytime. Smoking is hazardous to everyone's health

Textbook Policy

Robert F. Kennedy Charter School shall maintain adequate textbooks within the classroom that allows each student the use of a textbook during school hours. Textbooks are available for students to take home should they request so from the teacher. Students must complete a form with the classroom teacher in order to take the book home, and may be subject to fines and withholding of transcripts should they fail to return the book by semester end.

Cell Phones, Pagers and other Wireless Communication Devices

The possession of a cellular phone, pager, etc, is not in and of itself, a violation of the student conduct and discipline code. The school allows for the possession of cell phones on the education campus, however, cell phones are prohibited during instructional hours, parent meeting, conferences, and/or when a staff member deems inappropriate. The term “use” refers to the device being in visible sight and/or being on and/or used during prohibited times in the location above. When it is determined that the use has occurred in violation of policy, the cell phone will be surrendered to an RFK staff member upon request and the parent will be contacted and a solution will be determined. If a cellular device is used in a criminal act, then criminal penalties may result.

Food Policy

RFK IS A CLOSED CAMPUS. Students are not excused to leave for breakfast or lunch; if a student leaves with or without parental permission they cannot return to school until a parent meeting has been scheduled.

Students may bring their own meals to eat during authorized break times, purchase food from the school vending machines and/or the “school store”. Breakfast, lunch and afternoon snack is provided free to all RFK students during scheduled breakfast, lunch and snack times. Any food brought on campus must be delivered to the main office and may be subject to inspection.

Attendance and Truancy Policy

Truancy is defined by the state as the unexcused absence from school or class that results in the student being deemed absent. A student is considered **truant** when he or she has *accumulated 5 unexcused absences within any twenty day period.*

Habitual Truancy is defined by the state as the *accumulation of 10 or more unexcused absences within a school year.*

RFK values excellent attendance and punctuality because these are essential habits for lifelong success. In addition, much of our curriculum and instruction draw on community expertise and is field-based and project-oriented. These teaching practices require daily, in-class participation. Therefore, the following is the RFK Attendance Policy:

1. Students are expected to maintain 95% attendance and punctuality for class, computer lab or any work/volunteer/service learning site or activity. Regularly scheduled classes are offered Mondays through Fridays.
2. The maximum allowable absences at RFK per semester are 10 days. When attendance falls below 89%, or 10 days per semester, an “Attendance Intervention” will begin and may ultimately result in student withdrawal from school. The school is committed to exhausting all possible intervention strategies before this occurs. See “RFK Attendance Policy” located on page 26 (this policy is signed by parent/guardian and student at registration and filed in the students school records). The director and advisory teacher will make the final decision.
3. RFK does not distinguish between excused and unexcused absences. An absence is an absence. Because each student is working with an individual plan and schedule, we expect personal appointments to be made outside class time.
4. Students are expected to discuss reasons for lateness or absences with their Advisory Teacher in advance. At all times, RFK teachers and staff expect open, honest communication with families when a student is absent or late.

Robert F. Kennedy Charter School (RFKCS) is committed to providing a safe, positive, productive, nurturing educational environment for all of its students and encourages the promotion of positive interpersonal relations between members of the school community. Aggressive behavior, bullying, harassment, and similar acts toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. Gestures, comments, threats, or actions, which cause or threaten to cause bodily harm, emotional distress or personal degradation will not be tolerated.

This policy applies to all activities involving RFKCS. This includes activities on school property and off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. It also applies to any activity or incident in route between school and the off campus school activity. RFKCS expects students to conduct themselves in an appropriate manner for their respective levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.

RFKCS believes that standards for student behavior must be set cooperatively through interaction among the students, parents/legal guardians, staff, and community members producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for RFKCS Policy and community property on the part of students, staff, and community members. Since students learn by example, school administrators, faculty, staff, and volunteers will demonstrate appropriate behavior, treat others with civility and respect, and refuse to tolerate bullying or harassment.

This policy shall apply to the following definitions of bullying. Please note that these definitions are provided for guidance only. If a student or other individual believes there has been aggressive behavior by a student or adult that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

Definitions

"Bullying" is defined as willfully and repeatedly exercising power or control over another by systematically and chronically inflicting physical hurt or psychological distress on one or more students or school employees. The purpose of homework is to provide students with continued exercise, drill, and practice in order to develop, reinforce, improve, and enrich skills; and help students become more familiar with procedures or concepts. Homework gives students responsibility for their own learning. In addition, homework provides parents an opportunity to know about or participate in their child's education.

Make-up Work Policy: Students who are absent from school three (3) consecutive days or longer may request make-up work from teachers by calling the Middle School Office. Students who are suspended are required to make-up all missed assignments and tests. Teachers require 24 hours notice to complete the make-up work. Work should be picked up in the Middle School office prior to 3:00 PM.

Support Services

One of the major benefits parents and students will enjoy about their experience with RFK is the pro-active approach taken in providing student support services. Students have access to a variety of support services both through the school and its interagency partnerships, such as: Student – Family Support Officer, School Social Worker, Dean and Assistant Dean of Students, School Based Health Clinic (SBHC).

After an initial evaluation by the RFK support team/IEP team/, students have access to a, school psychologist, and/or social workers. The school also provides special education screening, testing, case management, and service delivery. In addition, referrals can be made to independent counseling, psychiatric, or evaluation services.
